Hi Sam, Mary, Anna, and Emma – Vicki and I have cleaned up the document, which should make it a lot easier to look at. There are two outstanding comments I left (I believe I've addressed the rest of the comments). Let us know what you think of this version.

Thanks!

IRIS team,

It might be easier to turn a new version around and then ask Mary, Samantha, and Emma to comment. I've responded to some of Lou's comments in this version.

I had a number of comments/edits in the attached version. Might be easier to talk through. Adding Mary, Samantha, and Emma per Tina's last email. Also adding Anna as FYI, because however this comes together,

there will need to be a comms plan/desk statement on the update of the website with this information (especially the assessments being dropped).

I am soooooooooooooooooooooooooooooo sorry to be so late with this. I edited twice when you sent it out and my computer crashed and I gave up. SO, here I am again. I think we need Mary, Samantha, and Emma to definitely gut check this for us...and then there is Lou 😊.

**Subject:** Publishing IRIS Timelines - need your input!!!

Hi everyone,  
Here is some text regarding publishing IRIS timelines for you to react to. We can pass more broadly after we get your input. We still have to meet with Maureen about "how" this will appear on the website (eg its own page, a document with a link, etc). Please review and then we will vet the dates with the BCs. There were some inconsistencies with some of the assessments, that is why they are blank. We have to work with them to make sure their dates are updated in Project.

Thanks! Looking forward to your comments. I want to thank Dahnish for pulling this together – he is awesome.

Vicki
